Bill Rosenthal

CEO, CertNexus

Jay Prasad Majhi

has successfully completed the online Professional Certificate

CertNexus Certified Data Science Practitioner

Successful completion of this specialization demonstrates a learners ability to effectively analyze, understand, manipulate, and present data within an effective and repeatable process framework. Candidates have successfully demonstrated the ability to extract insights from their work and leverage that insight in addressing business issues, thereby bringing greater value to the business.

Address Business Issues with Data Science

Extract, Transform, and Load Data

Analyze Data

Train Machine Learning Models

Finalize a Data Science Project

This certificate attests to the learner's completion of an online program delivered via Coursera. It does not constitute formal enrollment at any university or entity and does not itself grant academic credit, grades, or a degree. Institutions or organizations may, at their discretion, recognize this learning toward their own programs or credentials.
